Famjet DK Mobile Series

**Portable, ultra-compact, wireless
and lightweight ink-jet printers,
don't require any conveyor!**

**DK Mini
Mobile**
(encoder with 2 wheels)

DK Mobile

On the basis of our experiences in the production of Thermal Ink Jet printers, we are glad to announce the introduction of the new Famjet DK Mobiles, innovative portable wireless printing devices able to print on a large range of porous and non porous surfaces, multiline messages in a printing area up to 12,7 mm.

**DK Mini
Mobile**
(encoder with 4 wheels)

The powerful software enables to edit and print messages containing text, date, time, 1-D and 2-D barcodes, numbers and logos. Portable, wireless (battery powered), ultra-compact and less than 1 kg. heavy, both the new Famjet DK Mobile printers are based on the thermal ink jet technology and equipped with disposable cartridges containing water or solvent base inks in a large range of colors (including white and yellow). DK Mobiles are the perfect replacement for stencils, stamps, roll coders and other obsolete contact printing systems.

Technical Specifications FamJet Mobile

Printing height:
up to 12,7 mm.

Display:
Touch Screen
3,5"

Resolution:
Up to 750 dpi

Printing capabilities:
Alphanumeric characters,
Autodate, logos, QR Code,
Barcodes and Datamatrix

Memory:
8 GB,
16/32 GB optional

Consumables:
Disposable 42ml
cartridges
12,7 mm HP®

User Interface:
USB

Voltage:
AC:110v-220v
a 50-60Hz 2A

Encoder type:
2W Encoder with 2 wheels
4W Encoder with 4 wheels

DIMENSIONS

Length: 122 mm

Width:
68 mm

Height:
200 mm

Length: 105 mm

Width: 60 mm

Height:
220 mm
